MAMMOTH STOCK OF SPRING
CLOTHING.

We are now manufacturing the largest and most complete STOCK of SPRING CLOTHING ever offered to the Public, and by the first of March will have it completed. Our FALL SALES so far exceeded our expectations, that we were entirely out of goods, and were compelled to disappoint hundreds of customers. But for the approaching season we shall endeavor to manufacture a stock that will supply all who favor us with their patronage. It is useless to boast of great bargains, as it is a fact acknowledged by all who have purchased of us, that we can and do sell clothing the pay them better and sell off cheaper than those purchased at any other house, and we will show you through with pleasure.

12th Month—Large Sales and small profits.

NEVER FAILING REMEDY!!!

HOLLOWAY'S OINTMENT.

A CRIPPLE SETS ASIDE HIS CRUTCHES AFTER TEN YEARS SUFFERING.

Copy of a Letter from Mr. Thompson, Chemist, Liverpool, dated August 1st, 1852.

To Professor Holloway,

Dear Sir—I am enabled to furnish you with a most extraordinary cure effected by your valuable Ointment and Pills which has astonished every person acquainted with it before. About 16 years ago, Mr. W. Cummings, of Ballymena, in fact town, was bitten from his horse, whereby he received very serious injuries; he had the best medical attendance at the time, and was afterwards an inmate of different Asylums, yet he grew worse, and at last malignant running ulcer settled in his hip, which so completely crippled him, that he could not move without crutches for nearly 10 years; recently he began to use your Ointment and Pills, which have now healed the wound, strengthened his limb, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with renewed life and vigour. (Signed)

A MOST EXTRAORDINARY CURE OF A DREADFUL SKIN DISEASE WITH ALL MEDICAL AIDS HAD FAILED.

Copy of a Letter from Mr. H. D. Daper, of Keelby, near Grimsby, dated March 1st, 1852.

To professor Holloway,

Sir.—Some time since, one of my children was affected with dreadful eruptions over the body and limbs. I consulted the advice of several eminent Surgeons and Physicians, by all of whom she was considered hopeless. At length I tried your Ointment and Pills, and without exaggeration, the effect was miraculous; for by persevering in their use, all the eruptions quickly disappeared, and the child was restored to perfect health.

I previously lost a child from a similar complaint, and I might before had 1 or her case adopted your remedy; she would have been lost to me. I shall be happy to testify the truth of this fair, equal, & successful.

CERTAIN REMEDY FOR SCROFULICOSIS.

—AND AN ASTONISHING CURE OF AN OLD LADY REVIVED BY A RADICALLY BAD LEG.

Copy of a Letter from Mrs. Waller and C. C. Waller, of Bath.

To professor Holloway,

Dear Sir—Among the numerous cases of the use of your valuable medicines in the neighbourhood, we may mention that of an old lady, Mrs. Waller, of Weston-super-Mare, in the Village of Weston, about five miles from the City. She had ulcerated wounds in her leg for six years, and lately they increased to such an extent as to defy all the usual remedies; her face rapidly giving way under the untiring decolorized. By this distressing condition she had recourse to your Ointment and Pills, and by the assistance of her friends, was enabled to persevere in their use, until she received a perfect cure. We have ourselves been greatly astonished at the effect upon so old a person, who being above 70 years of age. We shall be happy to satisfy any inquiries as to the authenticity of this really wonderful case, either personally or by mail.

A private in the Bath Panteen Force, also, has been perfectly cured of an old rheumatic affection in the face, after all other means had failed. He says that it entirely by the use of your Ointment, and especially loudly in its praise.

We remain, Dear Sir,

Yours, faithfully,

April 6th, 1852. (Signed) WALLER & CO.

The Pills should be used constantly without Interruption.

In most of the following cases—

Bad Legs—Chicago foot—Fistulas
